September 24th, Week 10 - Term 3

TPS NEWS

Government of South Australia
Department for Education

REMINDER - 2:10PM DISMISSAL TOMORROW!

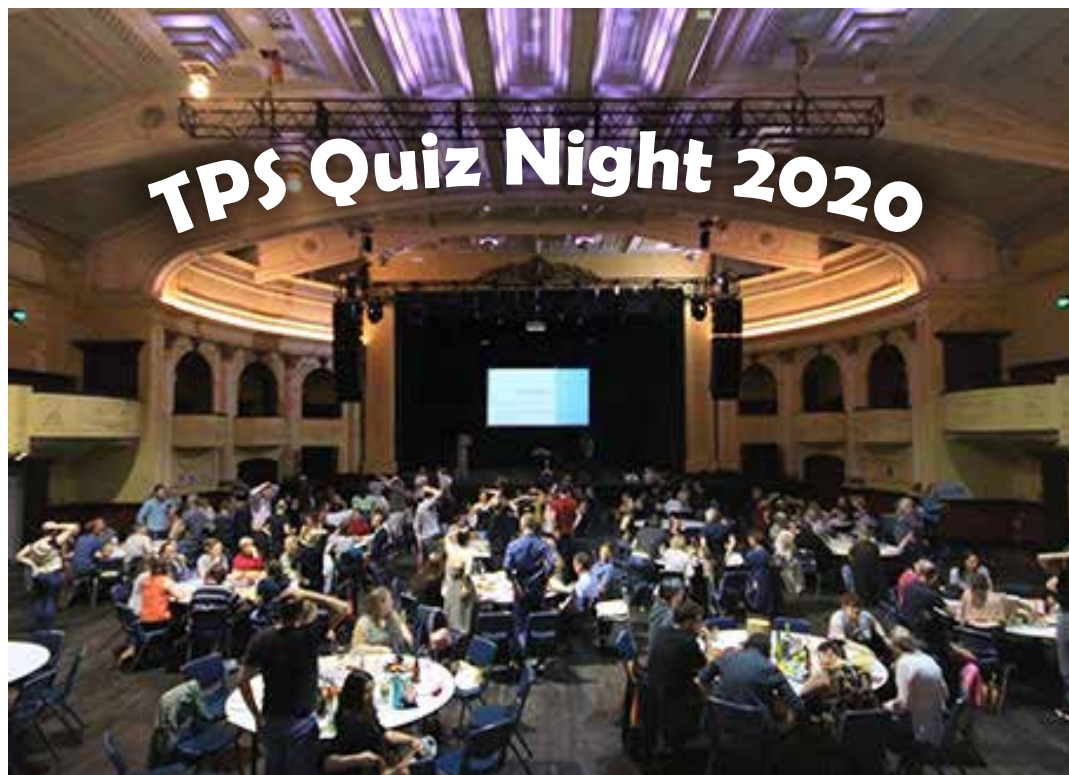

In Room 21 preparing for our very first sports day at TPS was all encompassing and exciting!

In maths we learnt to tally, sequence and develop our understanding of ordinal numbers.

We strengthened our fine motor skills playing finger soccer, making sports day themed paper chains and threading our team wristbands. We read books about persistence and resilience. Brainstormed what it means to be a good sport; and wrote acrostic poems exploring the meaning of TEAM.

In Room 21 we consider ourselves a team. We ENCOURAGE and SUPPORT one another. We take pride in each other's achievements because we are all on the same team.

Laura Blackeby and Alice Pannenburg

Despite a venue and date change the 2020 TPS Quiz Night went ahead and was a wonderful, successful evening.

Amy Ralfs and her amazing team of parents pulled off a great night raising just short of \$7,000! Thank you to the TPS and the broader community members who supported the event.

Congratulations and thank you to the following parents:

Amy Ralfs & Jamie Lee, Michelle Toyias, Chris & Merry Jones, Marnie Max, Nicole Scott, Kerry John, Michelle Boyce and Jenny McLelland.

Many thanks also goes to this long list of businesses who kindly supported the event with their generosity in providing prizes.

From John and Silvia

Thank you everyone for your on-going support of our school, in particular during these COVID-19 times. Despite wonderfully low/zero figures in SA, schools are regularly reminded of the need for all adults to maintain 1.5 metres distance from each other. This may impact on what our Book Week parade, End of Year Concert and Year 7 Graduation look like.

The 2020 versions may be a variation on previous years but they will happen in term 4.

Sports Day

Our Sports Day is another example of looking different to normal. However, despite the absence of family members and food stalls, it was still a fantastic day. Congratulations to all students for being great competitors and to our 2020 Champions, STEPHENS!

Final scores for the day were:

1st Place - Stephens with 749

2nd Place - North & Hayward with 740

3rd - Ashley with 726

Quiz Night

Our Parents & Friends group did an amazing job running our recent quiz night, raising almost \$7,000! These funds will go towards our Nature Play area. Thank you so much to Amy and

her band of loyal supporters for organising this event.

Within this newsletter is our Term 4 planner. Being only a 9 week term and much to pack in, it's going to be busy! Before we know it the end of the school year will be upon us. As we begin to plan for 2021, we ask that you inform us as soon as possible if your child/ren will not be continuing with us next year.

Have a safe and happy school holiday with your children, we look forward to seeing all students return for the beginning of term 4 on Monday 12th October.

To celebrate the last day of term, tomorrow will be

Casual Day!

No donation required

School Photo Day!

Pop Thursday 22nd October (Week 2, term 4) in your diaries, it's school photo day! We will send forms out on the first day back next term. In the meantime below is some information regarding the cost of packs and a link to some FAQ's from our photographer MSP.

YEAR 7 TO HIGH SCHOOL

Parent Update Week 10, Term 3 - 2020

What students can expect as a year 7 in high school

We've been engaging with hundreds of our pilot school families through workshops and feedback forms about how their child has found year 7 in high school this year.

Parents and students involved in the pilot at Wirrawanda Secondary School, Mitcham Girls High School and John Flin Secondary School have largely been highly supportive of the move.

Gains in maturity

Many pilot group parents reported positive changes in their children's attitude to school work and their organisational skills. They said their children appreciated the opportunity to learn a more diverse curriculum from specialist teachers in specialist classrooms.

Diversity of subject choices

The diversity of high school subjects and greater depth of subject knowledge earned praise from parents involved in the pilot. Comments included students enjoying sport, science, cooking and interactive experiences.

Making new friends

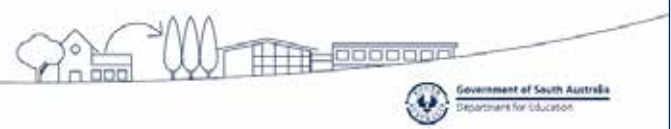

This was the top concern of students entering Year 7 and also a concern for many parents in the lead-up to the school year. When we surveyed families and students in May, 97% of students said they had made new friends, and this had in fact been a highlight of the high school experience. Many of them found the high school transition days and getting to know you activities, such as camps, beneficial.

We'll be sharing more experiences from our families with you in term 4, as we continue to learn more from our pilot schools.

Where to find out more

Stay informed through your school and the Department for Education's website: www.education.sa.gov.au/7toHS

Or share your feedback with the project team by emailing: Year7toHS@sa.gov.au.
