

### From John .....

Today Torrensville was certainly the fun place to be with our Music is Fun performance! A great time was had by all, as you can see from the photos inside this edition of the newsletter. A big thanks to our Arts Teacher Laura Blackeby for organising the event and preparing our student performers.

### Secondary School Enrolment Offers

From today high schools will begin sending enrolment offers to families, most of these will be sent via email. If you think you have not received your enrolment offer from your secondary school, you need to check your junk folder for an email from education.noreply@sa.gov.au.

If you did not provide an email address on your Registration of Interest form, you will receive your enrolment offer in the mail or it will be handed to you by your child.

If your enrolment offer has not arrived by 18 August, please contact Jen Gibson-Smith and she will follow up with the secondary school on your behalf.

If you need support to accept your enrolment offer, it is best to contact your allocated secondary school and they can step you through the process. Next term transition visits to the high schools will occur.

### Pastoral Care worker Review

Nicole Dal Piva is our Pastoral Care Worker here at school. Every year our community is required to review Nicole's role. If you or your child have worked with Nicole, we invite you to complete a survey which will be available on Skoolbag for you to download. If you would like a paper copy, please contact Jen in the office 8443 7355 or dl.1285.info@schools.sa.edu.au. The responses will be collated and presented at a review meeting at the end of the month.

**PUPIL FREE DAY - MONDAY, 6TH SEPTEMBER**

## Room 4 conservationists!

In Term 2, Room 4 investigated the question "How do we protect the present for the future?" We chose to focus on bird conservation, learned all about our local native birds and plants.

We have decided to plant native plants in the school garden so that we can encourage native birds such as the New Holland Honeyeater.

We are enjoying watching this beautiful New Holland Honeyeater making a nest outside our classroom window.

We read about patterns, then made some with paint.

We read "Feathers for Phoebe" and made a list of bird features.

Then we used our pattern paintings to make a collage.
