

As we head towards the end of the 2021 school year there are some critical dates that we draw to your attention:

### Remembrance Day

Thursday November 11th is Remembrance Day, we will be holding a special assembly. Unfortunately parents will not be able to attend.

### Reception Orientation Program

**Friday November 19th** our Reception Orientation visits commence for our new Receptions in 2022. It really is the last opportunity to get onto our enrolment list so if you (or you know anyone) who is hoping to enrol a child for next year, we really need to know next week. **Friday December 3rd** is our second Reception Orientation visit.

### End of Year Concert

Thursday November 25th is the End of Year Concert. Inside this newsletter is all the information you need to be part of the biggest event of the school year.

### School Closure Day

Friday November 26th is our school closure day. It is a tradition that this follows on the day after the concert. Unfortunately this coincides with a compulsory training day for OSHC supervisors, so OSHC will also be closed on this day.

### Year 6/7 Graduation

It is also the evening of the Year 6/7 Graduation. With an increased number of students graduating (and COVID regulations), we had to limit the number of family members attending to two adults per family.

### Music Assembly

Monday December 6th our school assembly is a celebration of the achievements of those students who have participated in Instrumental Music Strings and Learning Through Music lessons. We are really hoping there will be a change to COVID restrictions in schools so that parents can attend. We will keep you updated about this as we get more information.

### New students visiting

Thursday December 9th students will get the opportunity to visit their 2022 classroom (and hopefully meet next year's teacher as well). As we have said over the past term when we get to this stage we cannot do anything regarding class placement because the move of one student can impact on the friendship groups of many. Reports will also go home on this day.

### Last Day of the 2021 School Year

Friday December 10th is our final day of the school year. During the morning we have a farewell assembly to say thank you and goodbye to our Year 6 and 7 graduates as well as anyone else leaving school. For those students who have permission, students will be dismissed at 2:10 pm.

On top of all this there are class excursions and celebrations to occur, which will be shared with you on class Dojo. It is certainly an exciting and busy end for us!

**School Closure Day,  
Friday 26th November.  
OSHC will not be operating on this  
day due to staff training.**

# Materials & Services Charges for 2022

4th November 2021

Dear Parents / Caregivers,

We would like to extend an invitation to the school community to attend an open finance meeting of our Governing Council where the 2022 Materials & Services Charges of \$360 will be presented for approval (please see the reverse of this page).

This meeting will be held on Monday 29th November at 3.30pm in the staff room. If you are unable to attend but wish to provide feedback you may express your view in writing to the Chairperson of Governing Council, or to the Principal John McCade.

If you have any queries please contact John or myself.

Please do not pay on this notice, all students will be invoiced at the start of the new school year.

**INVITATION TO AN INFORMATION SESSION FOR FAMILIES OF R-6 STUDENTS FROM ALL SCHOOLING SECTORS**

We are delighted to inform you that in 2022, the School of Languages will be offering an R-6 Japanese program at Henley Beach Primary School on Mondays from 3.10-4.40pm.

Families from all schooling sectors are invited to attend an information session for parents/carers who wish to know more about the school and this exciting new program. This will be an opportunity to meet the School of Languages Principal and the Japanese language teacher that will be offering the program. Details of information session:

**WHEN:** Tuesday, 16 November 2021 from 5.30 - 6.15pm

**WHERE:** Henley Beach Primary School 38 Hazel Terrace, Henley Beach

**Who are we?**

- The School of Languages is a government school established in 1986 to offer language learning that complements and supplements languages programs in mainstream schools and ethnic schools.
- We offer 23 languages after hours, in 30 different locations around the metropolitan area to over 2,000 students from all schooling sectors.
- Courses follow the Australian Curriculum and are aimed at second language learners.

**Why learn a language?**

- The earlier children start learning a language and the more languages they learn the better their chances for future success.
- Research shows that the bilingual experience influences brain function from infancy to old age.
- Literacy skills improve as students make comparisons between their own language and the one being studied.
